

Deep End of the Pool

Deep End of the Pool is a collection of 35 surreal, dreamy imagery and starkly honest commentary on the waters in which we all swim. This exploration of the poetic universe is a journey within a journey and a dream within a dream. Dive into the emerging, morphing universe to discover a fresh view of ordinary reality. The writings are a collection of humorous and personal insights on stuff like the creative process, becoming radiant and why woodpeckers are so annoying. They are paired with colorful, playful digital collages in postcard format to illustrate the silly, profound and mystical experiences of life. Welcome to the Deep End of the Pool.
