

A Knight of the Alliance protecting humankind, Michelangelo Rotolo (Angelo) has been slaying vampires for years. Once a mortal but now a vampire, he continues his journey with his three human comrades in search for the one who had infected him for revenge and with hopes of becoming a mortal again. Their mission brings them to a little town where a beautiful female named Whitney Johnson captures Angelos notice and his vampire heart as well. But to his surprise, she is no ordinary human, and her life is certainly in danger because of it. Running out of time, can Angelo find a way to save the unaware Whitney from an unstoppable mystical creature? If he fails, she faces an excruciating and brutal death.
