

# Modern Printmaking: A Guide to Traditional and Digital Techniques

A fully illustrated instructional printmaking book presenting step-by-step examples alongside representative works from thirty top contemporary printmaking artists. Printmaking is flourishing in the modern era, appealing to both traditional artists as well as those interested in graphic design and digital techniques. This all-in-one guide is both technical and inspirational, examining the history and contemporary processes of relief, intaglio, lithography, serigraphy, mixed media, digital transfers, and post-digital graphics. Featuring step-by-step examples alongside representative works and profiles of top printmaking artists, this colorful resource provides a truly fresh look at printmaking today, in all its forms. From the Hardcover edition.
