

Fragrant Herbs (Little Scented Library)

This book provides practical instructions in the making of fragrant herbs with descriptive captions, artwork borders and full-colour photographs throughout. Part of The Little Scented Library series, the book gives the reader a host of traditional recipes and gift suggestions as well as imaginative new variations. Scented endpapers are a fragrant reminder that outlives the special occasion. By the author of Arranging Dried Flowers, Flowers, Container Gardening and co-author of The Complete Book of Dried Flowers.
