

## Florida Artist: Wm. North, His Life and Art

William North is a distinguished painter carrying on the tradition of the great age of impressionism-working from life, painting landscapes in the field, and still lifes in the studio. Painting in oils for sixty years, the artist has been represented in galleries for more than forty years. His paintings are in hundreds of collections in the United States and abroad, as far away as Moscow and Tokyo. This book, a collaboration with his daughter, Colleen, gives an intimate, revealing look into the life and art of this prolific painter.
