

Lifelike Animals: Discover your Inner Artist as you Learn to Draw Animals in Graphite (Drawing Made Easy)

Learn to draw remarkably realistic animals step by step. Inside this beautiful, comprehensive book, accomplished artist Linda Weil shows readers how to capture the personality and character of a range of animals, from a magnificent elephant to a cuddly koala to a group of mischievous meerkats. The 64-page book introduces readers to tools and materials, as well as basic drawing and shading techniques, before delving into a collection of stunning step-by-step projects. Aspiring artists will discover information on animal anatomy, sketching from life, drawing young animals, and depicting animals in action. With a wealth of inspiring images and invaluable information, this book is a must-have for every animal-loving artist.
