

With new allies joining the war against the blue men, humans living on the new world have reason for optimism. But the enemy has not been sitting idly by, and having identified the weaknesses of the American Pacifica Territory, he is now poised to launch a new offensive. Reinforced by veteran General Sir Andrew Skeen and a division of elite soldiers from the Indian Army, the Royal Newfoundland Regiment must help defeat a blue assault, or both new and old worlds might be in peril. A battle will be fought amongst the rocks of The Badlands...
