

Madelina Horn: Through The Lens Of Michael Scorpio

Madelina Horn is a multi-talented performance artist from Alberta, Canada. Modelling and photography were the first mediums she began working with in her creative career. She has been crowned with many titles over the span of her work, including The Worlds First Heavy Metal Model, to The Horned Goddess, and The Dark Queen of Burlesque. Michael Scorpio is a photographic visual artist from Alberta, Canada. His eye for the dark and erotic rendered him an instant cult favorite amongst alternative scenes worldwide. Madelina and Michael met in 2007. They were instant kindreds bonding over blackmetal music, eroticism, + love of the obscure. Their photographic collaborations began in 2008 when Micheal received his first SLR camera as a gift and found his calling. Madelina was an obvious muse as the perfect combination of darkness and erotic beauty. Their work continues to push bounderies and peak inspiration among dark hearts today.
