

## Frank Clarkes Paintbox 2

Following on from the success of the best-selling Paintbox (over 100,000 copies sold), Frank Clarke is back to encourage more would-be artists to have a go. Using his foolproof Have Some More Fun method, Frank shows how anyone can achieve fantastic results in next to no time. A self-taught artist himself, Frank guides the new reader through the basic techniques needed for watercolour painting before embarking on a series of eight step-by-step lessons. The lessons offer new artists lots of opportunity to practise their techniques and will inspire readers of the first book to continue developing their hobby. It includes advice on materials and equipment, brush techniques, effects and strokes and how to correct mistakes. Frank's infectious enthusiasm and straightforward method of teaching have turned millions of people into amateur artists. Paintbox 2 will have people reaching for their watercolours and creating beautiful pictures that most beginners can only dream of.
