

Sonny Preyer, Vol. 3: A Fairy Tale of a Different Kind

This is the third volume in the Sonny Preyer saga. The time has come for Sonny Preyer to admit who his is. After eighteen years of hiding in the existence of a frightened boy, he can no longer deny that he is a very powerful Illumenae. Too many innocent people need his help. But human fear, as well as the memory of what he suffered lifetimes ago, by the very people he loved, renders his heart heavy and his mercy slow. He takes his time forgiving, but time is running out as his power leaks, spilling into the clutches of Sonny's greatest enemy. A monstrosity called Dastas. Dastas is the only living soul who remembers the crime committed against Sonny a thousand years ago, and is responsible for it. Now he is bent on finishing what he started. After a thousand years, what has slept will awaken. What has been hidden will be revealed. And what gives life, will kill.
