

Kate Plessler is leading a dead-end life as an office assistant with a penchant for bad relationships. She is lost. When Kate is kidnapped by Hunter, a gorgeous stranger, she assumes he is just some sick psychopath. She never suspects he is actually a vampire, and that she is about to be plunged into a world stranger than her wildest dreams. In the underground city where Hunter lives, she encounters his otherworldly cousin Chase, who holds the key to her freedom. She is thrust into a village where humans are farmed for feeding and breeding. In this mysterious new world beneath Queens, New York, Kate finds something she never expected.
