

Artes de Mexico # 30. Metepec y su arte en barro / Metepec and Its Art in Clay (Spanish Edition)

Cuando se le pregunta si es artista o artesano, un alfarero de Metepec, Estado de Mexico, responde que el solo es un amante del barro. Estas paginas celebran esa pasion en un recorrido por la produccion ceramica de este pueblo excepcional, desde las cazuelas y los primeros objetos de uso cotidiano hasta las mas imaginativas piezas de ornato, que dan cuenta de que esta es una tradicion en efervescencia.

ENGLISH: When asked whether he is an artist or an artisan, one potter in Metepec responded that he is only a lover of clay. This issue is a celebration of that passion as it explores the pottery of an exceptional community in the State of Mexico from crockery and household objects to the most imaginative decorative pieces. There can be no doubt that this is a living and growing tradition.
