

In this exciting continuation of the VIVATERA series, Naomi Everstar, rescued by living magic, must restore balance to a world stained by unnatural death. However, rejoining the six stones will destroy Naomi's sisters, daughters of King Prolius cursed by their father's "gift". As her friends scatter across the country in search of the missing princesses and the amulets that possess them, Naomi hurtles headlong into a deadly trap set by an ancient evil. Reynolds fulfills his duty to protect her, but his actions cause her to doubt whether he stays for love or only honor. When damned souls demand her sacrifice, will Reynolds' guilt leave her to the mercy of the man who once plunged a blade into her heart?
